

BART Fares and Clipper Payment

Children 4 and under ride free. All other passengers must purchase a regional Clipper transit card or add Clipper to Google Pay or Apple Pay on iPhones, Apple Watches and Android phones. Each rider needs their own Clipper with funds added to it. Fares are based on distance traveled and posted on the vending machines. Clipper has a one-time acquisition fee of \$3.00.

When paying by phone, funds can be added for immediate use without the need to use a vending machine. Clipper vending machines accept debit/credit cards and cash. Currency exchange and ATMs are not available at BART stations. Weekly or monthly passes are not available.

Pay fares with Clipper on your phone!

Now available on

Learn more at clippercard.com

To enter the BART system, tap your Clipper card (or phone or watch loaded with a Clipper card in your digital wallet) on the blue disc on the fare gate. Use the same Clipper card or device when you exit. The correct fare will be deducted automatically. If your card has too little value, the fare gate will tell you to go to an Addfare machine to add enough value to your Clipper card to exit BART.

Luggage and Accessibility

Luggage may be stowed under your seat or held in your lap. Please keep the doorways clear. Some cars have space near the doors to accommodate wheelchairs, bikes or strollers. If the space is not being used by a person with a disability, you may store your luggage there, but please keep it under your control at all times. All BART stations have elevators and extra wide faregates for large luggage and for use by people with disabilities.

BART Airport Guide

Taking BART from
San Francisco
International
Airport

May 2022
Free

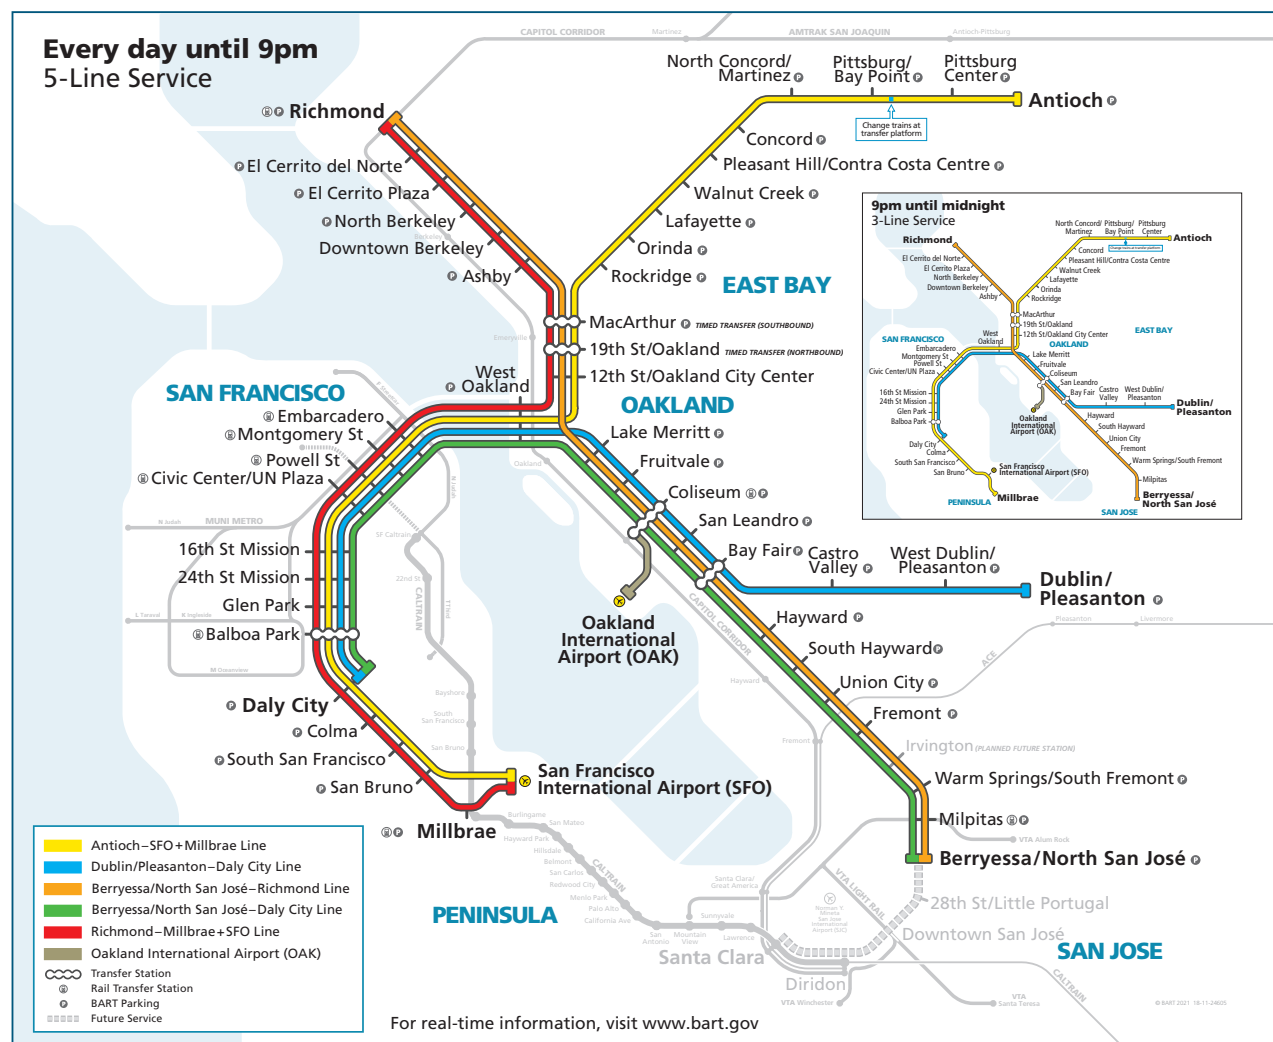

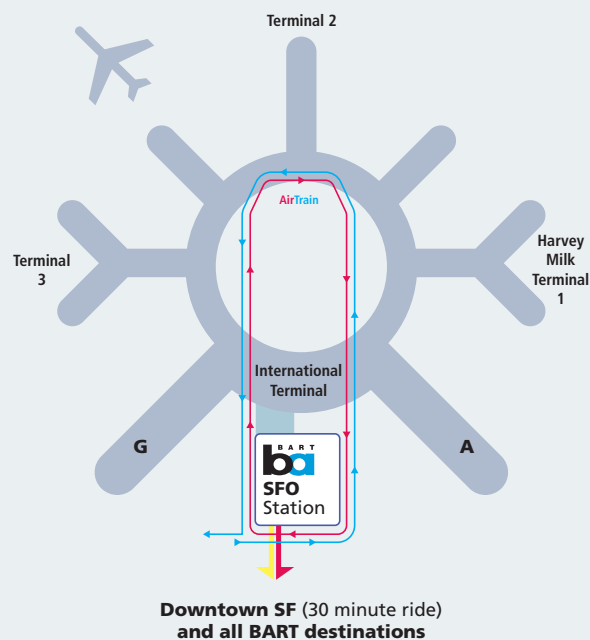

BART trains connect SFO with downtown San Francisco, downtown Oakland, and many other Bay Area destinations. BART is the best way to avoid sitting in Bay Area traffic.

The San Francisco International Airport BART Station is on Level 3 of the International Terminal. Take the free AirTrain shuttle to "Garage G—BART Station." Or walk to BART by following signs to the International Terminal and BART station.

Airport-supplied luggage carts are not allowed in the BART station or on the train.

San Francisco International Airport (SFO)

Download the BART App

The official BART app is free for download on both iOS App Store and Google Play Store. The app offers end-to-end trip planning, real-time departures, service advisories, and contactless parking payment.
